

Meet the 2019 LCMA Board of Directors Candidates

Dave Harlor (Inumbent)

I've had the pleasure of living in Lowry these past 13+ years plus the privilege of serving on the Building and Grounds (BAG) committee for 7+ years and on the LCMA Board for 6 years now. I chair the BAG committee and serve as your LCMA Treasurer.

My wife, Florence, and I moved here because we believed Lowry would be Denver's next great neighborhood. It's been fun, and at times challenging work to see this coming to fruition.

I am a Denver native. Florence and I have (4) adult children, one still at home. I am semi-retired, with a broad professional background, most recently as a custom home builder. Prior careers and entrepreneurial endeavors include IT consulting, interstate transportation & logistics, corporate finance and accounting, and business acquisitions and consolidations. People say I have a unique skill set. I call it, career ADD. For fun, I love to ski and bike and plan the next great adventure. It's been my pleasure to actively serve this great community. Thank you.

Kittie Hook

I have lived in Lowry for over 16 years and am very proud of this community. I was on the 1993 Citizen Advisory committee when we were strategically planning the entire 1800-acre development. I think Lowry has exceeded all expectations we had in 1993 and I would like to make sure that we keep the community great and thriving.

Joel Malecka (Incumbent)

I moved to Lowry in 2009 with my wife. As a former Air Force base, the Lowry community has an identity unique to anywhere in Denver, and I love being a part such a historical place. The development and layout also make it a beautiful place to live and I enjoy devoting time to preserving and managing this community. I currently work in the state government and am familiar with city, county and state laws. Additionally, I have organized several 5K/10K races in the Lowry neighborhood and have experience with event planning and permitting. I have served on the LCMA's Board of Directors for the last six years, including as Vice President / Secretary and (currently) as President of the Board. I also serve on the LCMA's Executive Committee and the Events committee.

Jane Wilson (Incumbent)

I have just completed my first 3-year term on the LCMA, and humbly ask for your vote to continue that service for a second term. As a resident of East Park, I have followed closely the safety issues in my neighborhood. The LCMA provides a safe space for honest and open communication, working in tandem with our elected city council and local police. With that input from residents, I feel we have made steady progress.

The LCMA board is engaged in several long-term projects identifying priorities in the scope of the budget, and I feel it would be helpful to see those projects through. Thank you for your consideration of my candidacy for a second term on the LCMA Board of Directors.
