

## **2022 LCMA Board of Directors Candidates**

**(in alphabetical order)**

### **Laura Abramson-Pritchard**

I am excited about the possibility of sitting on the LCMA Board of Directors as I want to help make the community more beautiful through understanding water-wise landscape opportunities, more accessible, through education around HOA regulations and friendlier, through opportunities for community interaction. As a member of the Jewish community, I am aware of the myriad of religious observances that may be puzzling to the non-Jewish community. I would like to see the opportunity for all neighbors to have the opportunity to learn about the range of religious and cultural practices and special needs of all members of the Lowry community. Who are the singles who may appreciate a deeper connection? Is there special attention to provide an aging population? A disabled population? I'd like the chance to be on the Board of Directors to help make Lowry the optimal living environment for all our residents.

### **James (Jim) Grillo**

Jim and Lorrie Grillo have lived in the Lowry Village II neighborhood for 21 years. They have two "launched" children. Professionally, Jim was an international cable television executive retiring in 2019.

Prior to moving to Lowry, Jim and Lorrie lived in the Belcaro neighborhood of Denver, where Jim served on the HOA board and was president for three years. Since moving to Lowry, Jim has been active with the original Lowry Neighbors and was on the Hanger II Advisory Committee. He was on the board of the Lowry Village HOA and served as its president for 12 years until resigning in 2021. Jim was on the Lowry Foundation board from 2014-2019 and served as Head of the Chapel (Eisenhower) and Assets (outdoor art throughout Lowry), completing the contracts for both the Chapel Restoration project and the art restoration program. Jim is presently Vice President of the Board of the Saint Joseph (SCL) Hospital Volunteer Board.

### **Dave Harlor (Incumbent)**

Our family moved into Lowry sixteen years ago, and what a thrill it has been to see the neighborhood grow and mature since then. I joined the Building and Grounds committee more than 10 years ago and today serve as its chairman. What a great way to learn about all the assets the LCMA manages. Consider joining us if you have an interest. I've served on the LCMA board nine years, being Treasurer for seven plus of those years. My professional background is in business, finance and accounting. For fun in the neighborhood, my wife and I walk and ride our bikes, take grandkids to Rocket Ice Cream, town center trick or treating, and watching for the Santa drive, we hit Taco Tuesday, show off the Beer Garden, and work in some laps at the Rec Center. Lowry, what a joy to call home.

## **Chris Jedd**

My family and I recently moved to Lowry this past summer. As a Denver resident for almost 20 years, I've lived in various neighborhoods throughout different stages of my life and feel privileged to call Lowry my new home and a place to raise my family. It would be a great honor to serve on the LMCA board to ensure the continued success and beauty of Lowry, as well as guide Lowry well into the future as different challenges and opportunities present themselves.

My professional background consists of over 15 years of real estate development including master planning, mixed used developments, and the development of senior, market rate, and affordable housing. I feel my professional background, expertise, and general desire to give back to the Lowry community makes me a great candidate for the LMCA Board of Directors. Thank you for your consideration.

## **Francis Rooney (Incumbent)**

I joined LCMA Board of Directors in the summer of 2022. I have worked in Lowry (at Pinnacol Assurance) since 2019 and my daughter is a student at Stanley British Primary. This community has been great to my family, and I am grateful for the opportunity to help continue its success. I am a licensed CPA with more than 10 years' experience in auditing and accounting. In my current role as Assistant Controller at Pinnacol Assurance I am responsible for budgeting and financial planning, investment accounting, and financial reporting. I also served as the treasurer of an independent school for over three years where I worked with school management on budgeting, investment strategy, and facilities projects.

## **Victor Vialpando-Nuñez**

Victor Vialpando-Nuñez is the Chief Operating Officer for the National Conference of State Legislatures (NCSL), responsible for the day-to-day operations of the nation's most trusted bipartisan membership organization for legislator and legislative staff. His experience and leadership have been focused on providing outstanding member services, organizational efficiency, and capability to drive innovation and transformation.

Prior to joining NCSL in 2019, Vialpando-Nuñez was the Dean of Academic Affairs for the School of Professional Studies and Sciences at the Community College of Aurora (CCA). Responsible for the leadership and vision of the region's most diverse urban community college science, STEM, business and career and technical education programs.

In addition to serving nearly 10 years at the CCA, Vialpando-Nuñez served for over seven years in various leadership positions with Colorado Mathematics, Engineering, Science and Achievement (MESA), Habit for Humanity of Colorado and the University of Colorado Denver.

Vialpando-Nuñez has a Master of Business Administration and Bachelor of Science in Civil Engineering from the University of Colorado at Denver.
