

November 8, 2022

Dear Lowry Property Owner:

The Lowry Community Master Association's (LCMA) Annual and Budget Ratification Meetings will be held on **Thursday, December 1st, 2022, starting at 6 pm**. The meetings will be held in person again this year in the Eisenhower Chapel, 293 Roslyn St., Denver, CO 80230. The meetings have two primary goals: (1) to ratify the operating budget for the upcoming year and (2) to elect Board of Directors members.

Proxy Forms Needed

To accomplish the purposes of the Annual Meeting, we must have quorum. Achieving quorum means at least 15% of LCMA members must attend the meeting in person or by submitting a proxy. If you are unable to attend the Annual Meeting on December 1st, please complete and submit the enclosed proxy. Information about the LCMA Board candidates is enclosed.

There are three sections to complete on the proxy. A proxy gives someone else the ability to vote for you at the Annual Meeting, such as a neighbor (complete Section 1) or the LCMA Board Secretary (leave Section 1 blank). You may direct the proxy holder how to cast your vote for LCMA Board candidates (complete Section 2) or you may grant that privilege to your proxy holder (leave Section 2 blank). Please return your proxy by 5 pm on Wednesday, November 30th.

2023 Operating Budget

The Board is pleased to present for your review the proposed 2023 Operating Budget. The proposed budget is based on assessments for the Association remaining the same at \$90 per unit per quarter. For those owners who have primary or secondary access to their garage via an LCMA owned and maintained alley who pay an additional Alley Individual Purpose Assessment, that assessment will also remain the same at \$50 per unit per quarter.

In addition to Community Management of the nearly 3 square miles (1,866 acres) that is the Lowry Community, your LCMA assessments support maintenance of the following assets:

- 665,996 gross square feet of asphalt in alleys and private roads
- 17,765 gross square feet of concrete in roundabouts, aprons, and plazas
- 261,074 gross square feet of concrete sidewalk and edging
- 185,545 gross square feet of curbs, gutters, and drain pans
- 87 storm sewers
- 22.5 acres of parks which is divided into 10 parks
- \$345K of playground equipment
- 89 mailbox kiosks
- 14,520 gross square feet of ground cover

- 2,400 trees
- 89 streetlights & 15 pole hook lights
- \$1.75M irrigation equipment
- 1100 linear feet of iron fencing
- 15 brick monuments
- 3,300 linear feet of brick wall
- 1,815 gross square feet of metal trellis
- 3,000 gross square feet of concrete / flagstone retaining wall
- 3,085 gross square feet of flagstone path and plaza

2022 Recap

2022 was a busy year for the LCMA. Events are back! This year saw the post-COVID return of neighborhood events like Concert and Movie Nights in the Park, Treat Truck Tuesdays, Food Truck Thursdays, and the Halloween Festival. Santa will again be driving the neighborhood on Sunday, December 4th 2-4 pm.

The LCMA's Buildings and Grounds Committee selected and approved new park and monument signs and new park furniture (benches, trash cans, etc) to be installed throughout Lowry in early 2023, along with a new playhouse for Liberator Park. Tree care continues to be a focus, along with ongoing maintenance of LCMA-owned roads and alleys. The Lowry Design Review Committee has been guiding three major commercial development projects through the design review process. The LCMA is working on a new Landscape Master Plan to update and enhance LCMA-owned parks, greenways, open spaces, and walkways.

New state legislation regulating HOA's was passed and required significant updates to the LCMA's governing policies and Design Guidelines. As always, the LCMA advocates for Lowry with the City and County of Denver, Denver Police, Denver Fire, Denver Parks and Recreation, and Denver Forestry.
